**REQUEST FOR WSSBA REGISTRATION UPGRADE**

*Purpose of Form:*

Use this form to request an upgrade to a WSSBA Breedable Certificate of Registration for your Shiloh Shepherd that is currently registered with the WSSBA. Most often, the Shiloh Shepherd will currently hold a WSSBA Upgradeable Certificate of Registration; however, under some circumstances (and with the Breeder's participation), Shiloh Shepherds currently holding a WSSBA Companion Certificate of Registration may also be upgraded to Breedable status.

The WSSBA permits dual registration of Shiloh Shepherds that meet Registry requirements.
